

The Boy Should Be More Attentive

Willie—"Pa, who was Shylock?"

The Father—"Goodness, boy! You attend church and Sunday School every week and don't know who Shylock was? You ought to be ashamed of yourself."

If Willie had asked who SPALDING is, father would have told him that SPALDING is the man who makes the most famous SPORTING GOODS

in the world. He would have talked for an hour about SPALDING'S League Baseballs and Baseball Goods in general, his splendid lines of Tennis, Basketball, Golf, Football and such goods, to say nothing of the lines of Knit Goods, Shoes and Athletic Apparatus. He would have given you the straight tip on all these things and would have ended up by saying "Young man, when you want anything in Spalding's line, just go to

HAWAII BEATEN IN THE NINTH INNING

A GAME FILLED WITH PLAYS

The hopes of the Hawaii baseball team and fans burst in the ninth inning yesterday after things looked as though the locals had the game all sewed up.

At the beginning of the ninth inning, with the score standing 10-8 in favor of the local team, the Spaldings came in and scored three runs, much to the disappointment of the fans who were gathered there in thousands to see the Hawaii team in the third game from the Coast boys.

The game yesterday was one that was filled with all sorts of playing. It was the kind that should highly please any fan. There was action each and every moment, good plays following bad in quick succession and the spectators never knew what was coming next. The Hawaii team chased two pitchers to the bench and "Silent" Burns, as the last resort, was called upon to save the day. It was lucky for "Mique" Fisher and his bunch that Burns was signed to take the trip at the eleventh hour.

At the end of the seventh inning the All-Hawaii team was two runs to the good and it looked as though they would surely pull out with the game, as they had been holding the professionals safe. In that awful ninth the Spaldings had first chance at the ball. Williams started the trouble with a 2-bushion shot to right center. Nealon followed with the same kind of a poke and Williams scored and Nealon went to third. Donahue hit toward Darcy and before the ball could be fielded in Donahue raced to third. Bliss hit to the infield and Donahue started for the pan. Joy took the throw and so blocked the plate that Donahue missed it by at least half a foot. Everyone saw the play but Umpire Bower, who declared the runner safe. Hampton registered a hard kick but it did no good. There is absolutely no question but what Donahue was out at the plate. This run and decision cost the locals the game and they must suffer for another's mistake. Ump. Bower was sick during yesterday's game and while his decisions were poor he can hardly be blamed. Of course it is hard to think that our boys lost through a mistake by the umpire, but it is now history, and there is little use "crabbing."

The locals must be given credit for their hitting. Henley, the Fresno pitcher, is as good as can be found anywhere, and when the locals chase a man of his caliber to the bench they are going some. Henley had everything yesterday and even at that could not stop the locals from sticking.

Inning one saw both teams blanked. Hampton drew a pass and stole second in this spasm, but could get no further. Williams, for the Coast team, got past third but was thrown out at the plate by Mahuka on first.

The second inning was more disastrous for the locals. Williams reached first on J. Williams' poor heave to first. He stole second. Nealon drew a pass. Donahue fanned. Williams stole third. "Red Dog" hit to Mahuka, who threw out Williams at the plate. Bill strolled. "Silvers" Henley punched out a dandy over second and both Nealon and then Hildebrand singled and Devereaux and Bliss raced in.

In their half of this inning the All-Hawaii team made two runs. Joy singled and stole second. Aylett reached first on Donahue's error. Joy went to third. Darcy poked a beautiful third, bringing in Joy and Aylett went on to second. Nealon made a wild throw to the plate and Aylett scored. Hampton drove a liner that had all the earmarks of a hit. Zeider leaped high in the air and speared the drive with his left mitt, the force of the ball knocking him over, but he squeezed "it" and thereby pulled off perhaps the prettiest play that has ever been seen on a local diamond. Hampton, who has been playing in form, was robbed of a hit.

The third and fourth were also bad innings for the home team. Reuter's shoots were straitened for pretty bingles and were so bunched in these innings that five more runs were scored.

The All-Hawaii team came up strong in the sixth and seventh, when they began to find Henley hard. They had their lamps trimmed and made the best of things. Barney Joy on second and Jim Williams on third pulled off a "between-base" stunt that put the pros. in the air and got Williams across the pan. Darcy was the real kid and drove a ball far into

the right-field crowd. He made the second homer of the season amid an awful burst of applause. Darcy also showed a good wing during the game.

Three runs in the seventh put the locals two to the good, but they fell down in the ninth, as is described above.

Never was a game harder lost in Hawaii and this defeat will linger long in the hearts of the local players, but they will only redouble their efforts to take the next, which will be played tomorrow afternoon at 3 o'clock.

The locals now have the confidence and there will be things doing.

BRITT MAKES MANY

HONOLULU FRIENDS

Little Jimmy Britt, the pride of San Francisco and one of the cleverest men who ever pulled on a boxing glove, is making many friends during his stay here. His general attitude is that of a gentleman and this trait, above all others, is fast gaining popularity for him.

Britt has started to train and can be seen on the road daily. He says that this is the grandest country in the world in which to train. He claims that the climate will bring the perspiration quicker than any other he has seen.

Britt's show Saturday night will be by far the most interesting thing of its kind ever put on here and there is sure to be a grand turnout to see the little fellow in action. Heitmuller, an "old" sparring partner of Britt's, will go on with him. The two, will box four of the fastest rounds ever seen here.

Besides, there will be other numbers that will be more interesting, and a good, clean show will be the result.

Seats are now on sale at Wall, Nichols, and from the advance sale there will be a big crowd gathered to see the grand lightweight in action.

PROTECTION PLANKS FOR NEW WHARF

Superintendent of Public Works Campbell has ordered chaffing planks placed on the piles at the new Alakea street wharf. This feature was omitted from the original specifications. The Harbormaster refused to bring vessels alongside the new wharf until such fender planks were placed. The swinging of a vessel a trifle out of her course when docking would be liable to cause considerable damage to the piles if not protected by the additions ordered by the Superintendent of Public Works.
